

The Flow of Registration

【Entry for the first time】

(1) An acquisition of personal ID and password

If you are to entry for the first time, please register your personal information at first. This personal information is shared between both the abstract submission and the pre-registration for attendance. If you do not complete registration of your personal information, you can not access forward to abstract submission nor to pre-registration for attendance.

Applicants are requested to register; ①Name ②Affiliation ③contact details

④E-mail address - available for receiving notification and etc. (It becomes “Personal ID”) ⑤Password

<NOTES>

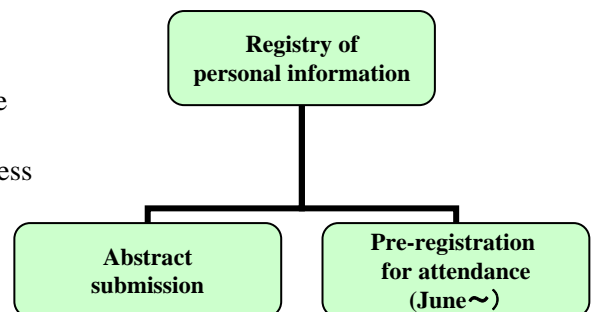

- * One can only register personal information once per “one” E-mail address.
- * Personal ID (i.e. registered E-mail address) and the password are necessary to login to one’s registered data when in need of revising or deleting.
- * Abstract submission and pre-registration for attendance are not completed at this point. Please complete each entries respectively depending on one’s need.

(2) Abstract submission

If one wishes to make a presentation at ISS, **corresponding author** is requested to submit the abstract. Even a presenter of the abstract is required to complete the registration for attendance. Please proceed with it following abstract submission. (FYI, in order to submit a manuscript for Proceedings, the author is requested one registration for attendance per one manuscript.)

Applicants are requested to register; ① **Co-author’s information** (if co-author will be a presenter, please tick his/her name. If co-author belongs to more than one Company or Institution, please input “/ (slash)” between them.) ②**Abstract title and text** (Each text is counted, including space characters.) ③**Submitting category ... etc.**

- * Follow guidelines on website and go on click “Register” when all requested items are fulfilled. A Receipt Number to the submitted abstract will be given and shown on the site to notice the completion of your abstract submission. Confirmation message will be also sent to your E-mail address which you registered.

(3) Pre-registration for attendance

(* Open in early June)

- Category of registration (e.g. students or general)
- Options; if any companion
- Payment method for registration fees
- On-line payment (in case of paying by credit card)

【If already entered and wish to go further】

If you...

- have registered your personal information but not further.-see (2)and (3) above.
- have completed abstract submission and now wish to enter for pre-registration for attendance.- see(3)above.
- have completed pre-registration for attendance and now wish to submit abstract-see (2) above.
- wish to revise or delete your personal data or abstract (e.g. information on co-authors, text, etc.).-see below.

* Enter your personal ID and the password at log in page, and go on to abstract submission or pre-registration for attendance. (includes modification and deletion).
